*Each person is assigned 2-3 clusters. Please use the following code to number the appropriate boxes:

- 0 - assigned but did not do anything. Someone else had to do it.
- 1 - entered data only
- 2 - entered data and created maps only
- 3 - entered data, created maps and completed household disposition form
- 4 - did the "clean-up" work on the cluster when the original assigned person did not do it correctly

CLUSTER ASSIGNMENT* - Group B (2008)
