## Reasons to Host a Workshop

**It's FREE** — Attendance and materials are all complimentary.

**It's Short** — Get the Basics in 2 hours.

**Accidents Cost** — Safety is good for business, the bottom line and employee morale.

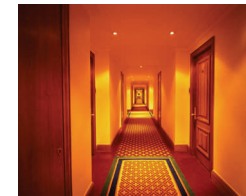

**It Builds Morale** — Workers appreciate knowing that their health and safety is important to you.

**It's the Law** — In California every employer has a legal obligation to provide and maintain a safe and healthful workplace for employees, according to the California Occupational Safety and Health Act of 1973.

**It's Offered by Organizations You Can Trust** — The Southern California Education and Research Center is a NIOSH ERC, located at UCLA and UC Irvine; sponsored in part by a grant from The California Wellness Foundation.

**It's Good Community Relations** — If you would like, you can invite businesses and other organizations in your community.

**Reasons Not to Host a Workshop — 0**
