features

4 The Preemptive War on Cancer: Heading Off a Leading Killer Before it Strikes

Much attention is paid to the need for breakthroughs in cancer treatment. But in the fight against the soon-to-be-leading cause of U.S. deaths, public health is playing an equally critical role.

10 Lisa V. Smith: Bringing New Recruits to Her Epidemiological Cause

She does important work at the L.A. County Department of Public Health, but is equally passionate about teaching and providing opportunities for SPH students to become future colleagues.

Help Wanted: Public Health Faces a Work- force Crisis

12

A new report underscores the strains on the system as a shrinking pool of trained professionals attempts to tackle an increasingly daunting set of challenges

18

Global Partnerships: Faculty Work with Alumni to Promote International Health

For many of the school's graduates working to improve conditions overseas, relationships established with their professors continue to pay off.

Alumni Hall of Fame: the 2008 Inductees
