

Breslow Student Fellowship Fund Established

THE UCLA SCHOOL OF PUBLIC HEALTH has launched the Lester Breslow Student Fellowship Fund to honor the career of the school's esteemed dean and professor emeritus. The fund will increase the School of Public Health's capacity to offer critical support for its students and is part of the UCLA-wide fundraising effort aimed at doubling the amount of endowed funds dedicated exclusively to aiding students.

Beloved by students, alumni and faculty, Breslow is a pillar of the public health community. He served as dean of the school from 1972 to 1980, and is internationally recognized as a leader in disease prevention and health behavior intervention. He served as director of public health for the State of California and as president of the American Public Health Association. He is the recipient of the coveted Lasker Award, recognizing extraordinary achievement in health and medical science knowledge and practice.

With proceeds from this year's Lester Breslow Lecture, and the support of so many generous donors (including leadership gifts from Dr. Jonathan Fielding, Dean Linda Rosenstock, Peter Reed and the Center for Health Improvement), the fund is well on the way to the goal of \$250,000.

For more information on the Lester Breslow Student Fellowship Fund, please contact the UCLA Development office at (310) 825-6464 or email maubrey@support.ucla.edu.

WOULD YOU LIKE TO HONOR A FAVORITE FACULTY MEMBER?

You may not know that you can make a contribution directly to any of the funds listed at the right. Here is a partial list of the School of Public Health's special funds and their purpose:

ABDELMONEM A. AFIFI FELLOWSHIP

Created to honor faculty member and former SPH dean Abdelmonem Afifi, this fund is awarded to students who exemplify academic excellence in Biostatistics.

LESTER BRESLOW LECTURE FUND

The Lester Breslow Fund supports the Breslow Lecture in honor of the internationally recognized professor emeritus and former SPH dean Lester Breslow. The lecture furthers the School's educational mission each year via a special evening that includes a nationally recognized keynote speaker and the new members to the SPH Alumni Hall of Fame.

HAGIGI FELLOWSHIP IN HEALTHCARE ACCOUNTING AND FINANCE

The Hagigi Fellowship fund was created by Department of Health Services professor Fred Hagigi to support students who anticipate working in the healthcare accounting and finance field.

BEVERLEE MYERS FUND

This fund was created by Dr. Myers' widower in 2007 to honor his late wife. Beverlee Myers served for many years at the helm of the

Department of Health Services and had great impact on the field of public health nationally. The award is given to a Department of Health Services student who exemplifies academic excellence and demonstrates an interest in social justice.

RUTH ROEMER AWARD

Ruth Roemer was a nationally known public health advocate and an SPH faculty member for more than 40 years. As a lawyer and an educator, Roemer had a profound effect on public health policies and was an effective and tireless advocate for health issues worldwide. The award is given to an SPH student who exemplifies academic excellence and demonstrates an interest in social justice.

DEAN'S OUTSTANDING STUDENT AWARD

Established by Dean Linda Rosenstock, this fund supports the most outstanding student in each of the five departments of the School of Public Health.

THE UCLA SCHOOL OF PUBLIC HEALTH IS PLEASED TO HONOR our alumni, friends, students, staff and foundation and corporate partners whose generosity strengthens our School and keeps us at the forefront of public health education. This Honor Roll gratefully acknowledges gifts and private grants made to the School from January 1, 2008, to December 31, 2008. Although space limitations allow only the listing of donations of \$100 or more, contributions of every amount are of great importance to the School and are deeply appreciated.
