

*Health Hazards
in Economic Hard Times*

Onyebuchi Arah, a native of Nigeria, is part of a quintet of new faculty whose expertise and experience have bolstered the school's global health program.

As an obstetrician, he planned to champion prenatal care. But Michael Lu found addressing deficiencies in maternal and child health requires a broader focus.

Doctoral student Kathleen Kozawa is part of a team gaining insight into pollution in residential areas near the ports of Los Angeles and Long Beach.
