The 30th annual
Breslow Lecture and Dinner
will be held April 19, 2004
in the Grand Horizon Room of UCLA Covel Commons,
beginning with a reception at 6 p.m.

Lecture namesake
Lester Breslow, M.D., M.P.H., Sc.D.,
professor emeritus of health services and dean emeritus of the school,
will deliver his first-ever address at this occasion, titled
“**The Third Revolution in Health: Implications for Public Health.**”

UCLA PUBLIC HEALTH

NOVEMBER 2003

complementary & alternative medicine:

a healthy trend?

We have a drug problem in the U.S. No, not *that* one. Stuart Schweitzer tackles the complex cost and policy issues around prescription meds.

Virginia Li's life as daughter of Chinese wartime leaders, successful immigrant and influential public health scientist is traced in her riveting memoir.

Doctoral student Yee-Wei Lim gave up clinical practice in Singapore to take a broader look at health care, including expanding access for L.A.'s indigent.
